Gifts of Publicly-traded Securities

Some donors are turning their **appreciated stocks, bonds and mutual fund units** into gifts for the Northumberland Land Trust. A new tax break introduced by the 2006 Federal Budget **exempts donor individuals from capital gains taxes**, making this the least expensive way to give. In addition, donors of securities will **receive a tax receipt** for income tax purposes for the **full market value of the shares** at the date of the transfer.
